Is She Really Going Out With Him?

Sugar Ray

Pretty women out walking with gorillas down my street
From my window I'm staring while my coffee grows cold
Look over there, there's a lady that I used to know
She's married now or engaged or something so I'm told
Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
'Cause if my eyes don't deceive me
There's something going wrong around here, around here
Tonight's the night when I go to all the parties down my street
I wash my hair and I kid myself, I look real smooth
Look over there, here comes Jeanie with a new boyfriend
They say that looks don't count for much
If so, there goes your proof
Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
'Cause if my eyes don't deceive me

There's something going wrong around here, around here
But if looks could kill, there's a man there
Who is marked down as dead
'Cause I've had my fill, listen you
Take your hands off her head
I get so mean around the scene
Hey hey, yeah, hey hey
Is she really around here?
Is she really going out with him?
Is she really gonna take him home tonight?
Is she really going out with him?
'Cause if my eyes don't deceive me
There's something going wrong around here, around here
Is she really going out with him?
Is she really going out with him?
Is she really going out with him?
Is she really going out with him?
Is she really going out with him?
