

# Am I Dead Yet?

G.B.H.

The pen they say is mightier than the sword  
But don't for a minute believe a lying word  
They'll do anything to try and sell their ware  
They've got no morals and they really don't care  
Am I, am I dead yet?  
Am I, am I dead yet?  
Am I, am I dead? They've got the freedom others haven't got  
They get away with murder and we do not  
Sensationalize anything that's dull  
It can't go on the street if it's not full  
Am I, am I dead yet?  
Am I, am I dead yet?  
Am I, am I dead? The cheap porn is bound to get the men  
Think twice when it has a reading age of ten  
Trivial stories get caught in their net  
And they can bury you if you're a threat  
Am I, am I dead yet?  
Am I, am I dead yet?  
Am I, am I dead? Am I, am I dead yet?  
Am I, am I dead yet?  
Am I, am I dead yet?  
Am I, am I dead?  
Dead
