Calcutta

Dr. Bombay

One day when I got hungry I sold the wooden house
Thad to visit uncle Gandhi who lives in Calcutta town
Uncle Gandhi is rich he's a taxidriverman
And I know that he will help me as much as he canA taxidriverman is what I want to be
But there are no customers who want to ride with me
I don't know why it could be that I'm almost blind
But every street in Calcutta I can findCalcutta, I am a taxidriver in
Calcutta, I drive my little taxi in
Calcutta, taxi taxi taxi in
Calcutta, I am a taxidrivermanI love to drive the taxi I like it very much
Even though I have no license I always find the clutch
I can drive without my hands I can drive without my feet
And I have no problem keeping taxi on the streetCalcutta, I am a taxidriver in
Calcutta, I drive my little taxi in
Calcutta, taxi taxi taxi in
Calcutta, taxi taxi taxi inCalcutta, I am a taxidriver in
Calcutta, I drive my little taxi in
Calcutta, taxi taxi taxi in
Calcutta, I am a taxidriverman
I am a taxidriverman
