Objection Overruled

Gregory Isaacs

Please give me a chance
So I can make my confession
Or do I was wrong?
Won't you please overrule your objection
And give me one chance
So that I can make things up with youI must apologize
Cause I'm so sorry to treat you so cruel
Or do I was wrong?
Seem I was only playing a fool, so
Just one more chance
So we can talk this thing over
One more chance
Cause I don't wanna end as the loserI must apologize
Cause I'm so sorry to treat you so cruel
Or do I was wrong?
Seem I was only playing a fool, so
Please give me a chance
So I can make my confession
Or do I was wrong?
Won't you please overrule your objection
And give me one chance
So that I can make things up with youOver and over and over
One more chance
Cause I don't wanna end as a loser
One more chance
So we can talk this thing over
One more chance
Cause I don't wanna end as a loser
One more chance
Over and over and overSeem I was playing a fool
I hope your objection will be overruledOne more chance
So we can talk this thing over
One more chance
Over and over and over
One more chance
Over and over and over
One more chance
So we can talk this thing over
One more chance

Over and over and over
