

# Need You (Alt Radio Mix)

Travie McCoy

I know its not your fault, but I'm a locked door  
And inside I'm a mess by someone before  
And I wish that I, I could find a key  
To unlock all the things that you want us to be Let me open up and start again,  
But there's a safe around my heart  
I don't know how to let you in,  
And that's what keeps us apart And that's why I need time.  
I said I need you,  
I need you to understand, you, you, you  
I need you to understand, you, you, you Call up the locksmith,  
Tell him we need him quick  
We've got a million keys,  
None of them seem to fit While you're on the phone,  
Call up the locksmith,  
Cuz I could use some time,  
Even the slightest bit Let me open up and start again,  
And break this safe around my heart  
I don't know how to let you in,  
And that's what keeps us apart And that's why I need time  
I said I need you  
I need you to understand, you, you, you  
I need you to understand, you, you, you I'm thinking now's the time,  
Maybe its time to go, if I gave you my heart, be gentle,  
I'm tired of laying low, lets give the world a show  
And when you know, you know, And when you know, you know, you know  
And when you know, you know, you know, you know  
And that's why I need time  
I said I need you, I need you to understand, you, you, you  
I need you to understand, you, you, you  
I need you to understand  
I need you to understand I need you to understand  
I need you to understand  
I need you  
I need you I need you  
I need you, you, you
