

# Same Crew

## Ray Jr.

30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
Same niggas  
Same niggas  
Different city but I'm with the same niggas  
Same niggas  
Same niggas  
Different city but I'm with the same niggas  
I'm just a young nigga from the ghetto  
(intelligible) pedal to the metal  
I like 'em dark skinned or yellow  
Long as that ass soft as jello  
Yeah  
Still here with the same niggas from the jump street  
Got some neigga that'll put that thang to ya front teeth  
I ain't a kid, I ain't finna play  
All my niggas eatin like a dinner plate  
We put bros over bitches  
Plus she only cold in the pictures  
She tryna Super Head the crew  
Then Shaq a nigga business with the  
Same niggas  
Same niggas  
Different city but I'm with the same niggas  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
Yeah, I'm gettin love in my city boy  
But I'm on the flight to the A-town  
Where the young thing 23  
And she gon' ride it like a Greyhound  
I'm in the club with my niggas  
I'm gettin love with my niggas  
With a lot of bad bitches  
Cause we don't fuck with ya niggas  
They said I fell off; the shit hurt me

When you average 35 and hit 30  
The whole city get worried  
But the shit'll finger roll George Gurdy  
With the  
Same niggas  
Same niggas  
Different city but I'm with the same niggas  
Same niggas  
Same niggas  
Different city but I'm with the same niggas  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
I'm drinkin Deace A now cause I'm rockin with Em  
Niggas hatin on Junior cause I ain't rockin with them  
Hardy Rollin the tree  
It got the scent of a skunk  
You bought your girl a car  
But I'm poppin her trunk  
We them niggas shining  
We them niggas eatin  
We got hella goals  
You niggas trick-or-treatin  
But we show hella love  
Give your bitch a hug  
That's my kissin, cuz  
And when we in the club we poppin  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
30 bottles, 10 Bitches  
Different city but I'm with the same niggas  
Same niggas  
Same niggas  
Different city but I'm with the same niggas  
Same niggas  
Same niggas  
Different city but I'm with the same niggas
