

Boston (Live from the Grove)

Augustana

In the light of the sun
Is there anyone?
Oh it has begun
Oh dear, you look so lost
Eyes are red and tears are shed
Some world you must have crossed

You said, You don't know me
You don't even care
Oh yeah
She said, you don't know me
You don't wear my chains
Oh yeah, yeah

The essential yet appealed
Carry all your thoughts cross an open field
When flowers gaze at you
They're not the only ones
Who cry when they see you

You said, you don't know me
You don't even care
Oh yeah
She said, you don't know me
You don't wear my chains
Oh yeah

She said, I think I'm going to Boston
I think I'll start a new life
I think I'll start it over
Where no one knows my name
I'll get out of California
I'm tired of the weather
I think I'll get a lover
I'll fly 'em out to Spain

I think I'm going to Boston
I think that I'm just tired
I think I need a new town
To leave this all behind

I think I need a sunrise
I'm tired of the sunset
Here it's nice in the summer
Some snow would be nice
Oh yeah

Boston
No one knows my name
Yeah
No one knows my name
No one knows my name

Boston
No one knows my name
