

Anytime, Anyday, Anywhere (Mixed By Amp Fiddler)

[Nat King Cole](#)

Anytime, any day, anywhere
Say the word, you'd be heard
I'll be there Makes no difference where it leads me
I'll come running if you need me
Anytime, any day, anywhere Makes no difference where it leads me
I'll come running if you need me
Anytime, any day, anywhere
Anytime, any day, anywhere
Any day, anywhere Anytime, any day, anywhere
Say the word, you'd be heard
I'll be there
Anytime, any day, anywhere
