Wake Up

Wiz Khalifa

Oh, yeah
Wake up, wake up
I don't wanna wake up, wake up
Wake up, wake up
I don't wanna wake up, wake upGet on straight, never switch lane
On my job every day 'cause it's hard not to see
I came up in a big way
And I hardly ever sleep but it's like a dreamI don't wanna wake up from, don't wanna wake up
I don't wanna wake up from
I don't wanna wake up from, don't wanna wake up fromOh, long days but I know hard work pays
So the money gettin' long too
And the kush smell strong too
That's that good, any chick with me shoot a bong tooOne thing I know is
Go hard, young, make fake niggas notice
Blowin' money 'cause you dyin' if you don't live
That's how you know that I was fly when I wrote thisFirst class tags
Or maybe I'm here first 'cause I'mma first class swag
Used to say that I was trippin'
So a nigga bought expensive ass bagsGet on straight, never switch lane
On my job every day 'cause it's hard not to see
I came up in a big way
And I hardly ever sleep but it's like a dreamI don't wanna wake up from, don't wanna wake up
I don't wanna wake up from
I don't wanna wake up from, don't wanna wake up fromGo hard, young, go hard
They let you in the game, better play your part
Go hard, young, go hard
And if you in the game, as well play smart'Cause I seen niggas fall like paper
Got money, seen friends turn haters
Got money, minor league turn major
Got money, white people turn neighborsMeet a girl, teach her how to roll papers
Six months, three whips, old player
Run my town like the mayor
I run my town, bitch, I'm like the mayorGet on straight, never switch lane
On my job every day 'cause it's hard not to see
I came up in a big way
And I hardly ever sleep but it's like a dreamI don't wanna wake up from, don't wanna wake up
I don't wanna wake up from
I don't wanna wake up from, don't wanna wake up fromI can take you up higher than you ever know
Let you dance what you want and you won't see me won't let go

Hell, no
Let you lean back, inhale smokeI get on straight, never switch lane
On my job every day 'cause it's hard not to see
I came up in a big way
And I hardly ever sleep but it's like a dreamI don't wanna wake up from, don't wanna wake up
I don't wanna wake up from
I don't wanna wake up from, don't wanna wake up fromI get on straight, never switch lane
On my job every day 'cause it's hard not to see
I came up in a big way
And I hardly ever sleep but it's like a dreamI don't wanna wake up from, don't wanna wake up
I don't wanna wake up from
I don't wanna wake up from, don't wanna wake up from
