

The One I Love (Unplugged 2001)

R.E.M.

This one goes out to the one I love
This one goes out to the one I've left behind
A simple prop, to occupy my time
This one goes out to the one I loveFire
FireThis one goes out to the one I love
This one goes out to the one I've left behind
A simple prop, to occupy my time
This one goes out to the one I loveFire
(She's comin' down on her own, now)
Fire
(She's comin' down on her own, now)This one goes out to the one I love
This one goes out to the one I've left behind
Another prop has occupied my time
This one goes out to the one I loveFire
(She's comin' down on her own, now)
Fire
(She's comin' down on her own, now)
Fire
(She's comin' down on her own, now)
Fire
(She's comin' down on her own, now)
