

# Patriot

## Mindwalk Blvd

I canâ€™t be the only one  
Who thinks killing is fun  
Follow it down this turn  
Prepare...to crash and burn

Tackle the devil in you  
Just be bullet proof  
Make you move and be a patriot  
And when the world is gone  
And no oneâ€™s left for fun  
Youâ€™ll be a patriot

Full of lies...you hypocrite  
Itâ€™s the same old shit  
Controlled minds, Iâ€™m finished  
Stumbling through bodies and flags
