# How To Love

## Steve Grand

See I had a lot of crooks try to steal my heart
Never really had luck, couldn't ever figure out
How to love
How to love
See I had a lot of moments that didn't last forever
Now I'm in this corner tryna put it together
How to love
How to love
For a second you were here
Now you over there
It's hard not to stare, the way you moving your body
Like you never had my love
How to love
When I was just a young and my looks were so precious
But now I'm grown up
So fly it's like a blessing but I can't have a man look at me for five seconds
Without me feeling insecure
You never credit yourself, so when I got older
It's seems like I came back ten times over
Now I'm sitting here in this damn corner
Looking through all my thoughts and looking over my shoulder
See I had a lot of crooks try to steal my heart
Never really had luck, couldn't ever figure out
How to love
How to love
See I had a lot of moments that didn't last forever
Now I'm in this corner tryna put it together
How to love
How to love
I had a lot of dreams that transformed to visions

The fact that I saw the world affected all my decisions
But it wasn't my fault
Wasn't in my intentions
To be the one who talking
To be the one here who listenin'
But I admire your popping bottles and dippin'
Just as much as you admire bartending or stripping
Baby, but don't be mad

Nobody else tripping
You see a lot of crooks but the crooks still crooks
I had a lot of crooks try to steal my heart
Never really had luck, couldn't ever figure out
How to love
How to love
Oh,
See I just want you to know
See I deserve the best
I'm beautiful
I'm beautiful
Yeah
See I want you to know, I'm far from the usual
Far from the usual
You see I had a lot of crooks try to steal my heart
Never really had luck, couldn't ever figure out
How to love
How to love
I had a lot of moments that didn't last forever
Now I'm in this corner tryna put it together
How to love
How to love
