

# Give You All The Love

[Mishka](#)

I'll give you all the love I've got cause you're here tonight,  
I'll give you all the love I've got and baby it's alright  
We're sailing into the harbour  
Moonlight shining bright over the water  
Been at sea for so long , drifting in a haze  
Been at sea for so long, now I want to stay  
I'll give you all the love I've got cause you're here tonight  
I'll give you all the love I've got and baby it's alright Give you all the love I've got - Oh yeah  
Give you all the love I've got - Alright  
Give you all the love I've got - Oh yeah  
Give you all the love I've got - Oohoo Don't make me wait anymore,  
travelled so far to reach your shore  
Tomorrow is promised to the one  
So we should love each other if nothing else is done  
I'll give you all the love I've got cause you're here tonight  
I'll give you all the love I've got, and baby it's alright
