Drive Her Home

Hopeton Lewis, U-Roy

I give her the number 1 and I drive her home
I give her the number 2 and drive her home
When I give her the number 3
Said, Darling, I'm feeling free
Girl is close to mine and drive me homeGive her the number 2 and drive her home
I give her the number 3 and drive her home
When I give her the number 4
Said, Darling, I don't love you no more
Girl is close to mine and drive me homeGive her the number 2 and drive her home
I give her the number 3 and drive her home
When I give her the number 4
Said, Darling, I don't love you no more
Girl is close to mine and drive me homeDrive me home, drive me home
Drive me home, yeah, drive me home
Girl is close to mine
