Amethyst Deceivers

Coil

("Autumn Equinox" Version)

Amethyst deceivers (repeated)

Pay your respects to the vultures
For they are your future
Our fathers and mothers
Have failed to release us
Into the welcoming arms
Of the amethyst deceivers

Amethyst deceivers (repeated)

("Live One" Version)

Pay your respects to the vultures
For they are your future
Our fathers and mothers have failed to release us
Into the welcoming arms
Of the amethyst deceivers

Pay your respects to the vultures
Pay your respects to the vultures
Pay your respects to the vultures
For they are our future

("Live Two" Version)

Pay your respects to the vultures
For they are your future
Our fathers and mothers have failed to release us
Into the welcoming arms
Of the amethyst deceivers

Pay your respects to the vultures
For they are your future
Our fathers and mothers have failed to release us
Into the welcoming arms

Of the amethyst deceivers

("Live Three" Version)

Amethyst deceivers (repeated)

Pay your respects to the vultures
For they are your future
Our fathers and mothers have failed to release us
Into the welcoming arms
Of the amethyst deceivers

Pay your respects to the vultures
For they are your future
Our fathers and mothers have failed to release us
Into the welcoming arms
Of the amethyst deceivers

Pay your respects to the vultures
Pay your respects to the vultures
Pay your respects to the vultures
For they are our future
For they are our future
Amethyst deceivers (repeated)

("Live Four" Version)

Pay your respects to the vultures
For they are our future
Our fathers and mothers have
They have failed to release us
Into the welcoming arms
Of the amethyst deceivers

So pay your respects to the vultures
For they are your future
Our fathers and mothers have
They have failed to release us
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms

Into the welcoming arms
Of the amethyst deceivers
Of the amethyst deceivers
Of the amethyst deceivers
Of the amethyst deceivers
Of the amethyst deceivers
Of the amethyst deceivers

So pay your respects to the vultures
For they are your future
Our fathers and mothers have
They have failed to release us
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms
Into the welcoming arms

So pay your respects
So pay your respects
So pay your respects
So pay your respects
To the vultures
To the vultures
To the vultures
To the vultures
And to the vultures
To the vultures
To the vultures

("Selvaggina, Go Back Into the Woods" Version)

Bright light, white light
Oh, bright light, oh, white light
Oh, bright light, oh, white light
Oh, bright light, oh, white light
Oh, bright light, oh, white light
Oh, white light, oh, bright light

Pay your respects to the vultures
For they are your future
Our fathers and mothers have failed to release us
Into the welcoming arms
Of the amethyst deceivers
They've failed to release us
They've failed to release us
They've failed to release us

So pay your respects to the vultures
Oh, pay your respects to the vultures
To the vultures
To the vultures
To the vultures
To the vultures
To the vultures
To the vultures
To the vultures
To the vultures
To the vultures

To the vultures
To the vultures
To the vultures
To the vultures
Oh, to the vultures
Oh, the vultures
To the vultures
Ah, to the vultures
Ah, to the vultures
Oh, to the vultures
Oh, to the vultures
Oh, to the vultures
Oh, to the vultures
Oh, to the vultures
Oh, to the vultures
To the vultures
