

# Coast Is Clear

Skrillex

Ayo Peter! (Sorry man, y'all recording?) What are the odds we'd even meet?  
What does it mean? It's meant to be  
Why hug a wall? Why hold a seat?  
Not for nothin' but it ain't nothin' for us to dip out this club right now  
Sh, I think the coast is clear, let's go  
Leave our coats and beers, let's go  
Leave your girlfriends here, let's go  
Leave your hopes and fears, let's go  
What you scared for?  
Let's go, let's go, let's go, let's go What's your interest are? Who you be with?  
Can I ask a question? Can you keep a secret?  
I don't really give a what! What I need to know is  
Do you wanna fuck? Do you wanna fuck?  
Do you wanna fuck? Do you wanna fuck? What's your interest are? Who you be with?  
Can I ask a question? Can you keep a secret?  
I don't really give a what! What I need to know is  
Do you wanna uh? Do you wanna uh?  
Do you wanna uh? Do you wanna uh? What's your interest are? Who you be with?  
Can I ask a question? Can you keep a secret?)  
I don't really give a what! What I need to know is  
Do you wanna? Do you wanna? (Let's blow this Popsicle stand) What are the odds we'd even meet?  
What does it mean? It's meant to be  
Why hug a wall? Why hold a seat?  
Not for nothin' but it ain't nothin' for us to dip out this club right now  
Sh, I think the coast is clear, let's go  
Leave our coats and beers, let's go  
Leave your girlfriends here, let's go  
Leave your hopes and fears, let's go  
What you scared for?  
Let's go, let's go, let's go, let's go What's your interest are? Who you be with?  
Can I ask a question? Can you keep a secret?  
I don't really give a what! What I need to know is  
Do you wanna uh? Do you wanna uh?  
Do you wanna uh? Do you wanna uh? What's your interest are? Who you be with?  
Can I ask a question? Can you keep a secret?  
I don't really give a what! What I need to know is  
Do you wanna fuck? Do you wanna fuck?  
Do you wanna fuck? Do you wanna fuck? (What's your interest are? Who you be with?)  
(Can I ask a question? Can you keep a secret?)

(I don't really give a what! What I need to know is)

(Do you wanna? Do you wanna?)

(Do you wanna? Do you wanna fu' ya?)Dance like it hurts to stand stillWhat's your interest are? Who you be with?

Can I ask a question? Can you keep a secret?

I don't really give a what! What I need to know is

Do you wanna fuck? Do you wanna fuck?

Do you wanna fuck? Do you wanna fuck?What's your interest are? Who you be with?

Can I ask a question? Can you keep a secret?

I don't really give a what! What I need to know is

Do you wanna fuck? Do you wanna fuck?

Do you wanna fuck? Do you wanna fuck?
