

# We Are the Chopped

## NoMeansNo

We are the chopped, the chopped  
The lecer drops and stops  
This is not good or bad  
Transformers hum and pop  
The little dials they drop  
No reason to be sadIt's only to be still with one more role to fill  
The widow stands inline, the loved one's killing time  
Cause when you've stopped, you've stopped  
It's either now or not  
No viction and no crimeAs you wander through your days, you leave the  
Moments lying cold and underpaid, your savings plans are sound  
They'll do somebody good when you are undergroundThis is not good or bad  
No reason to be sad  
No viction and no crime  
Cause when you've stopped, you've stopped  
The ball is thrown and caught  
It's just the end of timeThe mourners ring the bells and shed tears for themselves  
It was really unkind to leave us all behind  
We are the chopped, the chopped  
But you've not said alot  
There's nothing to findYou make patterns with your eyes and blacken in  
The details you don't recognize, you say that life is breath and when  
The breathing stops you turn mutter  
DeathWe are the chopped, the chopped  
But you've said a lot  
This not good or bad  
No reason to be sad  
We are the chopped, the chopped  
And when the pressure drops  
You simply stop, you stop  
You stop  
You're dead
