

# All the Right Moves

## KIDZ BOP Kids

All the right friends in all the right places  
So yeah, we're going down  
They got all the right moves and all the right faces  
So yeah, we're going down  
Let's paint the picture of the perfect place  
They've got it better than when anyone's told ya  
They'll be the king of hearts and you're the queen of spades  
Then we'll fight for you like we were your soldiers  
I know we got it good but they got it made  
And the grass is getting greener each day  
I know things are looking up but soon they'll take us down  
Before anybody's knowing our name  
They got all the right friends in all the right places  
So yeah, we're going down  
They got all the right moves and all the right faces  
So yeah, we're going down  
They say everybody knows, everybody knows  
Where we're going, yeah, we're going down  
They say everybody knows, everybody knows  
Where we're going, yeah, we're going down  
Do you think I'm special, do you think I'm nice?  
Am I bright enough to shine in your spaces?  
Between the noise you hear and the sound you like  
Are we just sinking in the ocean of faces?  
It can't be possible that rain can fall  
Only when it's over our heads  
The sun is shining every day but it's far away  
Over the world that's lead  
They got all the right friends in all the right places  
So yeah, we're going down  
They got all the right moves and all the right faces  
So yeah, we're going down  
They say everybody knows, everybody knows  
Where we're going, yeah, we're going down  
They say everybody knows, everybody knows  
Where we're going, yeah, we're going down  
It don't matter what you see, I know I could never be  
Someone that will look like you  
It don't matter what you say, I know I could never fake

Someone that could sound like you  
All the right friends in all the right places  
So yeah, we're going down  
They got all the right moves and all the right faces  
So yeah, we're going down  
They say everybody knows, everybody knows  
Where we're going, so yeah, we're going down  
They say everybody knows, everybody knows  
Where we're going, yeah, we're going down  
They say all the right moves, hey  
Yeah, we're going down  
All the right moves, hey  
Yeah, we're going down
