We Can Make Love

SoMo

I can be tender, I can be rough
I can do anything you care for
Everything above
Baby, let me rock your body, ride your body
Kiss your favorite spotTie your hands behind your back
Feel my fingertips above your shoulders
You like it when I drive it, yeah, I push the clutch
I just want it all, but no rushSo we can make love
Or we can just touch
We can get romantic, dirty dancing
Feel my hands until the sun comes upWe can make love
We can, we can just touch
We can make love
We can, we can just touch
We can make love
We can, we can just touch
We can just touch
We can, we can just touchYou love when I'm sleeping
I love when you buy
You love it when I cover up your eyes for a minute
But only some nightsI love when you ask me
To tickle your back
You love when I reach up underneath
And grab between your thighs like thatBaby, let me rock your body, ride your body
Kiss your favorite spot
You're screaming out my name, you don't have to tell me stop
The way your body is moving like a bubble 'bout to pop
I just want it all so don't stopAnd we can make love
Or we can just touch
We can get romantic, dirty dancing
Feel my hands until the sun comes upWe can make love
We can, we can just touch
We can make love
We can, we can just touch
We can make love
We can, we can just touch
We can just touch
We can, we can just touchWe can make love
We can, we can just touch

We can make love
We can, we can just touch
We can make love
We can, we can just touch
We can just touch
We can, we can just touchAnd we can make love
Or we can just touch
We can get romantic, dirty dancing
Feel my hands until the sun comes upBaby, let me rock your body, ride your body
Kiss your favorite spot
Tie your hands behind your back
Feel my fingertips above your shoulders
You like it when I drive it, yeah, I push the clutch
I just want it all, but no rushWe can make love
We can, we can just touch
We can make love
We can, we can just touch
We can make love
We can, we can just touch
We can just touch
We can, we can just touch
We can, we can justOh no, no no
(No no, no no)
Oh no, no no
(No no, no no)Just ride it out
(Just ride it out)
Just ride it out
(Just ride it out)Ride it out, I swear
Take your clothes off and leave them right there
Tell me you love me even if you don't
I wanna make love tonight, I don't careJust ride it out
(Just ride it out)
Just ride it out
Ride it out
