Hang On (OST Daredevil)

Seether

Well now I find myself
Wish I was someone else
My hands are stained with love
Wish I could take it awayI hid behind the shell
In time the pain will melt
My heart is stained with love
Wish I could fake itI gave my life away
There's nothing left to say
I gave my life away
You take it in your wayYou take it in your wayMy selfish enemy
Still has the best of me
Empty and feeling numb
Wish I could take it awayI can't control the need
Too weak to not concede
Wish I was deaf and dumb
Wish I could fake itI gave my life away
There's nothing left to say
I gave my life away
You take it in your wayI gave my life away
There's nothing left to say
I gave my life away
You take it in your wayI can't pretend we're the same
I can't pretend we're the same
I can't pretend we're the sameWell now I find myself
Wish I was someone else
My hands are stained with love
Wish I could fakeI gave my life away
There's nothing left to say
I gave my life away
You take it in your wayI gave my life away
There's nothing left to say
I gave my life away
You take it in your wayYou take it in your way
You take it in your way
You take it in your way
You take it in your way
