

Sleep With Me

We The Kings

Hey there hey, hey someday
Can I wake up with you
Hey there hey, don't delay
That's the last thing you should do Won't you take my remedy
I got cheap words and wine
Have a drink say anything
And I'll sing you a lullaby So baby are you in or are you out now
Tell me if you're lonely in this crowd
I am paying overtime
And you're the only game in town Baby sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes
Baby sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me Hey there hey, don't hesitate
I've been waiting too long
Hey there hey, believe in me
Cause all your friends are wrong So baby are you in or are you out now
Tell me if you're lonely in this crowd
I am paying overtime
And you're the only game in town Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes
Baby sleep with me
So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me Do you even know
How you light the room
I was blinded but now I see
The only thing I want is you and me Sleep with me
You got my heartbeat beating tonight
Sleep with me
Will I see you when I open my eyes
Baby sleep with me

So wake up here in my arms
Sleep with me
I want you to want no one else
Other than me
