Schadenfreude

Vanna

Let make this happen, lets lay it all down now
your being taken for granted, so let me show you around
(You'll never see the light of day again)
the walls were crawling with your insides, the walls were crawling with your insides
(You'll never see the light of day again)
Your heart was shining like a chandelier, your heart was shining like a chandelier
THEY WILL NEVER LET YOU GO!
Theres no escaping, you haven't the legs to stand on, theres no escaping you haven't the legs to stand on
And im so thankful, that im not in your place
THATS WHAT THEY CALL IT THESE DAYS
