

Let The Sky Fall (OST James Bond: Skyfall)

Adele

This is the end
Hold your breath and count to ten
Feel the Earth move, and then
Hear my heart burst again For this is the end
I've drowned and dreamt this moment
So overdue, I owe them
Swept away, I'm stolen Let the sky fall, when it crumbles
We will stand tall
And face it all together
Let the sky fall, when it crumbles
We will stand tall
And face it all together
At sky fall
at sky fall Skyfall is where we start
A thousand miles and poles apart
Where worlds collide and days are dark
You may have my number
You can take my name
But you'll never have my heart Let the sky fall, when it crumbles
We will stand tall
And face it all together
Let the sky fall, when it crumbles
We will stand tall
And face it all together
At sky fall Let the sky fall, when it crumbles
We will stand tall
Let the sky fall, when it crumbles
We will stand tall Where you go I go
What you see I see
I know I'd never be me with out the security
Of your loving arms keeping me from harm
Put your hand in my hand
And we'll stand.... Let the sky fall, when it crumbles
We will stand tall
And face it all together
Let the sky fall, when it crumbles
We will stand tall
And face it all together
At sky fall Let the sky fall

We will stand tall
At skyfall
