Eternally

Sarah Vaughan

I'll be loving you eternally
With a love that's true, eternally
From the start, within my heart
It seems I've always knownThe sun would shine
When you were mine and mine alone
I'll be loving you eternally
There'll be no one new, my dear, for meThough the sky should fall
Remember I shall always be
Forever true and loving you
EternallyThough the sky should fall
Remember I shall always be
Forever true and loving you
Eternally
