

In This Light and on This Evening

Editors

I swear to God
I heard the earth inhale
Moments before
It spat its rain down on me I swear to God
In this light and on this evening
London's become
The most beautiful thing I've seen I swear to God
I heard the earth inhale
Moments before
It spat its rain down on me I swear to God
In this light and on this evening
London's become
The most beautiful thing I've seen I swear to God
I heard the earth inhale
Moments before
It spat its rain down on me I swear to God
In this light and on this evening
London's become
The most beautiful thing I've seen
