Can't Back Down

Camp Rock

We can't
We can't back down
We can't back down
We can't back down
We can't back downNot right now
We can't back down
Not right now
We can't back down
We can't back downDon't close your eyes
We're all in this together
Wherever we draw the line
We're not gonna straddle across it
Or lose itWe can't back down
There's too much at stake
This is serious
Don't walk away
We can't pretend it's not happening
In our own backyard
Our own home plate
(No way)
We've been called out
(We've been called out)Do you hear your name?
(Yeah)
I'm not confused
Let's win this thing
(Let's do it)
We can't back down
There's too much at stake
Don't walk away
Don't walk away, yeahDon't get me wrong
I don't like confrontation
I'd rather we all just get along
Music should be undivided, unitedWe can't back down
There's too much at stake
This is serious
Don't walk away
We can't pretend it's not happening
In our own backyard
Our own home plate(No way)

We've been called out
(We've been called out)
Do you hear your name?(Yeah)
I'm not confused
Let's win this thing(Let's do it)
We can't back down
There's too much at stake
Don't walk away
Don't walk away, yeahWe got a situation that we can't ignore
'Cause ignorance is not bliss
We don't have to take this, no
With every big decision
Comes an equally important share of the risk
We gotta take thisWe can't back down
There's too much at stake
This is serious
Don't walk away
We can't pretend, it's not happening
In our own backyard
Our own home plate
We've been called outDo you hear your name?
I'm not confused
Let's win this thing
We can't back down
There's too much at stake
Don't walk away
Don't walk away, yeah
We can't back downWe can't back down
Not right now
We can't back down
