

Thief of Fire (Live Electric Ballroom 1979)

The Pop Group

I admit my crime

I'm a thief of fire

I

Admit my crime, crime, crime, I'm a thief of fire

Fire, fire, fireWe do not have anything

We have not learned anything

We do not know anything

Do not understand

We do not sell anything

We do not help but we will betray

And we will not forget

We will not forgetI admit my crime

I'm a thief of fire

I

Admit my crime, crime, crime, I'm a thief of fire

Fire, fire, fire

Fire, fire, fireReject very conscience of law and discipline

Reject very conscience of law and discipline

Reject very conscience of law and disciplineI admit my crime

I'm a thief of fire

I

Admit my crime, crime, crime, I'm a thief of fire

Fire, fire, fireWhen you're stealing from a nation of killers

Do I trust myself?Flowers in Moscow (each as they die) losers take all (under China's constitution)We are here
to go

All lovers betrayI

Admit my crime

I'm a thief of fire
