Strange

Lionize

Ain't it strange
The feeling takin' over my brain
Aint't it strange
I sit and I wait and I am welcome to change

Don't rush you now
seat your soul
you gotta take your time
let em grow
Don't rush you now
seat you soul
you gotta take your time
let em grow

Ain't it strange
The feeling takin' over my brain
Aint't it strange
I sit and I wait and I am welcome to change

Don't fight it
Don't fight it
Don't fight it (fight it)
Don't fight it
Don't fight it
Don't fight it (fight it)
Don't fight it
Don't fight it
Don't fight it (fight it)

Lady let it get under your skin
Let it ease
I cant wait now

Ain't it strange
The feeling takin' over my brain
Aint't it strange
I can't wait for it to begin
