

Hellraiser

Attila

Yeahhhhhh here we motherfucking go

Fuck that

We raise hell

I'll tear your soul apart

Fuck pigs

We raise hell

Lawless among the pack

We never listen

And we live our lives above the law

We're fucking villains!!!

Fuck everything you say

I'm here to smash shit

Straight from the depths of hell

If you can't hang then fucking quit

(We raise hell)

Always Disorderly

Rebels with no defeat

Fuck with our team if you dare

Fuck all authority

Rep the minority

I've had enough of your shit to last me my lifetime

I stay out of line

I can't be put down this time

Try me if you dare

I don't even fucking care

Fuck that

We raise hell

I'll tear your soul apart

Fuck pigs

We raise hell

I'm badass and you're a fucking bitch

Rock & roll was invented for the wicked

Leave your bibles at home under the bed

We're the villains and we came to raise hell

Listen to the fucking words I said
