

# New Year's Resolution (with Carla Thomas)

## Otis Redding

I hope it's not too late  
Just to say that I'm sorry, honey  
All I want to do  
Is just finish what we started, babyLet's turn over a new leave  
And baby let's make promises  
That we can keep  
And call it a New Year's resolution, hmmmOh, I'm a woman  
And woman makes mistakes too  
But will you, will you forget the changes  
That I put you throughlet's try it again  
Just you and me  
And, baby, let's see how happy honey, yeah  
That we can be  
And call it a New Year's resolution, yeah, yeah, yeah
