

In Venere Veritas

HIM

Let's fall apart together now
Drag the mirrored ball and chain
Drag the mirrored ball and chain
Drag the mirrored ball
Drag the mirrored ball
Drag the mirrored ball
Drag the mirrored ball
Drag the mirrored ball
Drag the mirrored ball
Drag the mirrored ball
Drag, drag, drag, drag
Drag, drag, drag, drag
Drag, drag, drag, drag
Have no
Have no
Have no
Drag the mirrored ball
Drag, drag, drag, drag
Drag, drag, drag
Mirrored ball
Drag the mirrored ball
Drag, drag, drag, drag
Drag, drag, drag
Mirrored ball
Drag the mirrored ball
Drag, drag, drag
Have no
Have no
Have no, have no
Have no, have no
Have no, have no
Have no, have no
Have no, have no
In Venere Veritas
In Venere Veritas
In Venere Veritas
...
