Higher Love

Whitney Houston

Verse 1
Think about it
There must be higher love
Down in the heart or
Hidden in the stars above
Without it, life is wasted time
Look inside your heart,
I'll look inside mine
Things look so bad everywhere
In this whole world, what is fair
We will walk the line
And try to see
Falling behind in what could be
chorus
Bring me a higher love
Bring me a higher love
Bring me a higher love
Where's that higher love
I keep thinking of
verse 2
Worlds are turning
And we're just hanging on
Facing our fear
And standing out there alone

A yearning and it's real to me
There must be someone
Who's feeling for me
Things look so bad everywhere
In this whole world, what is fair
We will walk the line
And try to see
Falling behind in what could be
chorus
bridge
I will wait for it
I'm not too late for it
Until then I'll sing my song
To cheer the night along

I could light the night up
With my soul on fire
I could make the sun shine
From pure desire
Let me feel that love come over me
Let me feel how strong it could be
chorus
