Nicotine

Brazilian Girls

If I showed you, you would not believe
That was me, that was me
Mm-mm
In the garden, horses, donkey and sheep
Where I've lived, where I've lived
Do re mi

Sha la la la la
Nicotine
Sha la la la la
Nicotine

It was quiet, and so natural
It was nice, it was nice
Ooh-ooh
Can you see me in the middle of nowhere?
It's still me, it's still me
Do re mi

Sha la la la la
Nicotine
Sha la la la la
Nicotine

You and me
Do re mi
Nicotine
