

# Happy Together

## Simple Plan

Imagine me and you, I do  
I think about you day and night  
It's only right to think about the girl you love  
And hold her tight so happy together  
If I should call you up, invest a dime  
And you'd say, you belong to me, and ease my mind  
Imagine how the world would be?  
So very fine, so happy together  
I can't see me loving nobody but you  
For all my life  
When you're with me, baby, the skies will be blue  
For all my life  
Me and you, and you and me  
No matter how they toss the dice, it has to be  
The only one for me is you and you for me  
So happy together  
If I should call you up, invest a dime  
And you'd say, you belong to me, and ease my mind  
Imagine how the world would be?  
So very fine, so happy together  
I can't see me loving nobody but you  
For all my life  
When you're with me, baby, the skies will be blue  
For all my life  
I can't see me loving nobody but you  
For all my life  
When you're with me, baby, the skies will be blue  
For all my life, for all my life, yeah  
Call you up, ease my mind, ease my mind  
Ease my mind  
I can't see me loving nobody but you  
For all my life  
When you're with me, baby, the skies will be blue  
For all my life  
I can't see me loving nobody but you  
For all my life  
When you're with me, baby, the skies will be blue  
For all my life  
So happy together  
So happy together  
So how is the weather?  
So happy together
