

# Der letzte Tag

## Cephalgy

And now we're here again  
Up on your roof so high  
The whole world can just go to hell  
For all I care tonight  
I can feel the end is near  
It all has come as we had feared  
And if our final day has come  
Let's pretend to carry on  
And if the end has now begun  
Live on, live on

I just can't believe the day has come  
When all the clocks stand still  
The horizon seems to disappear  
And all our dreams are unfulfilled  
I can feel the end is near  
It all has come as we had feared  
And if our final day has come  
Let's pretend to carry on  
And if the end has now begun  
Live on, live on

This is our final day, this is our final day  
This is the final thunder  
Up on your roof so high  
Let's stay and wait for the morning  
Even if it's not in sight  
Has our ending just begun?  
Don't care, pretend to carry on  
And if our final day has come  
Let's pretend to carry on  
And if the end has now begun  
Live on, live on  
And if our final day has come  
Let's pretend to carry on  
And if we stay we'll always  
Live on, live on  
This is the final thunder  
Up on your roof so high  
Let's stay and wait for the morning  
Live on, live on

This is our final day
