

Gates of Steel

Skankin' Pickle

Twist away the gates of steel,
Unlock the secret voice.
Give in to ancient noise, take a chance, a brand new dance,
Twist away the gates of steel.

Twist away, now twist and shout.
The Earth, it moves too slow.
But the Earth is all we know, we pay to play the human way,
Twist away the gates of steel.

Our man is real, that's how he feels.

But the earth is all we know, we pay to play the human way,
Twist away the gates of steel.

The beginning was the end, (Of everything now.)
The ape regards his tail. (He's stuck on it.)
Repeats until he fails, half a goon and half a man,
This man's not made of steel.

Twist away, now twist and shout.
The Earth, it moves too slow.
But the Earth is all we know, we pay to play the human way,
Twist away the gates of steel.

Our man is real, not made of steel.
