All This and Nothing

Sponge

All the God's people
Look from the outside in
You know them too well
But do you mirror their nightmares?What more could you ask for
For all this and nothing
To talk deep on the inside
And you know that you willBut I'll give a mind any reason
To fall and take the easy way, way out
I'll never give under pressure, give my permission
I bet you say that you willAll of God's people
And all them good people
And all the good peopleThey don't look like me
They don't look like me
They don't look like me
They don't look like me
Yeah, yeah, yeah, yeahYeah, yeah, yeah, yeahI'll never mind any reason
To fall and take the easy way out
I'll never give under pressure, give my permission
Well, I bet you say that you willAll of God's people
All them, God's people
All of GodThey don't look like me
They don't look like me
No, they don't look like me
They don't look like meThey don't look like me
No, they don't look like me
They don't look like meAll of God's people
Look from the outside in
You know them too well
But do you mirror their nightmaresMore could you ask for
For all this and nothing
To talk deep on the inside
And you know that you will, yeah
Yeah, yeah
