

Gone With The Sin

HIM

I love your skin, oh so white

I love your touch, cold as ice

And I love every single tear you cry

I just love the way you're losing your lifeWoah, my baby, how beautiful you are

And, woah, my darling, completely torn apart

You're gone with the sin, my baby and beautiful you are

So gone with the sin, my darlingI adore the despair in your eyes

I worship your lips, once red as wine

And I crave for your scent, sending shivers down my spine

And I just love the way you're running out of lifeWoah, my baby, how beautiful you are

And, woah, my darling, completely torn apart

You're gone with the sin, my baby and beautiful you are

So gone with the sin, my darlingWoah, my baby, how beautiful you are

And, woah, my darling, completely torn apart

You're gone with the sin, my baby and beautiful you are

So gone with the sin, my darling
