Boom Boom

John Lee Hooker

Boom, boom, boom I'm gonna shoot you right down Right off your feet

Take you home with me

Put you in my houseBoom, boom, boom, boom

I love to see you strut

Up and down the floor

And when you talking to me that baby talkI like it like that

Oh, when you talk like that

You knocks me out

Right off of my feet

Hoo, hoo, hoo, whoa, yeahWalk the walk baby

Talk that talk right now

And talk that talk right now, baby

Whoa, yeahAnd talk that talk

And walk that walk

Walk the walk, baby

And talk that talkAnd you whisper in my ear

I can't take it like that

You knocks me out

And when you talk like that

I can't take it like thatOh, when you talk like that

You knocks me out

Right off of my feet

Hmm, hmm, hoo, hoo, hooWalk the walk baby

Talk that talk right now baby

You can talk that talk, baby

Talk that talk, that baby talkCan't take it like that

No baby
