

Echogenetic (Blush Response)

Front Line Assembly

Tie me up, like an animal. Tie me up, like an animal. Tie me up, like an animal. Tie me up, like an animal.
I see the pain, I feel the rain. I see the sadness, I feel the madness. Screw deceptions, human rejection. Predict
contention, to let it come alive.

This thing, was for signals, in all directions. Stay alive. This perfect, can be intention. Find me, find out, to let it
come alive.

I see the pain, I feel the rain. I see the sadness, I feel the madness. Screw deceptions, human rejection. Predict
contention, to let it come alive.

Let me out. A cage, like an animal. Let me out. A cage, like an animal. I can see my cage, I can see the light.
Let me out. A cage, like an animal.

Let me out. I see the pain, I feel the rain. Let me out. I see the sadness, I feel the madness. Let me out. Screw
deceptions, human rejection. Let me out. Predict contention, to let it come alive.
