

Sheraton Gibson

Pete Townshend

I'm sittin' in the Sheraton Gibson playin' my Gibson
And boy, do I wanna go home
I'm sitting' in the Sheraton Gibson playin' my Gibson
And boy, do I feel all aloneCleveland, oh, you blow my mind
Cleveland, oh, I wish I were home this time
Don't want to be unkindBut I'm sittin' in the Sheraton Gibson playin' my Gibson
Thinkin' 'bout a sunny barbecue
I'm sittin' in the Sheraton Gibson playin' my Gibson
In my mind is a Cleveland afternoonCleveland, oh, you blow my mind
Cleveland, oh, [Incomprehensible] be home this time
Don't wanna be unkindOh Cleveland, oh, you blow my mind
Oh Cleveland, oh, I wish I were home this time
Don't wanna be unkindBut I'm sitting in the Sheraton Gibson playin' my Gibson
And boy do I wanna go home
