All Eyes On You

Peter Frampton

I'll believe you when I see you cry
No one needs to tell me reasons why
And I'm scared of losing, losing all we have
When there's all eyes on you
All eyes on you
Let it be my eyes on you
Stop this feeling, make it go away
I had to change things, soon as yesterday
As I watch you fading, fading out on me
Now there's all eyes on you
All eyes on you
All eyes on you
All eyes on you
Let it be my eyes on you
If I tell you I'll be there
Won't you give me one more chance to change
If you listen to what I say
I know you are the only one for me
I'll believe you when I see you cry
No one needs to tell me reasons why
When there's all eyes on you
All eyes on you
All eyes on you
All eyes on you
Let it be my eyes on you
All eyes on you
All eyes on you
All eyes on you
Let it be my eyes on you
