

# Kiss an Angel Good Morning

George Jones

Whenever I chance to meet  
Some old friend who's on the street  
They wonder how does a man  
Get to be this way I've always got a smiling face  
Anytime and any place  
Everytime they ask me why  
I just smile and say Chorus:  
You've got to  
Kiss an angel good morning  
And let her know you think about her  
When you're gone  
Kiss an angel good morning  
And love her like the devil  
When you get back home Well people may try to guess  
The secret of happiness  
But some of them never learn  
It's a simple thing The secret I'm a-speaking of  
Well, it's a woman and a man in love  
And the answer is in this song  
That I always sing You've got to  
Kiss an angel good morning  
And let her know you think about her  
When you're gone  
Kiss an angel good morning  
And love her like the devil  
When you get back home Kiss an angel good morning  
And let her know you think about her  
When you're gone  
Kiss an angel good morning  
And love her like the devil  
When you get back home Kiss an angel good morning...
