All You Wanted

Subconscious

I wanted to be like you
I wanted everything
So I tried to be like you
And I got swept awayI didn't know that it was so cold
And you needed someone to show you the way
So I took your hand and we figured out
That when the tide comes, I'd take you awayIf you want to, I can save you
I can take you away from here
So lonely inside, so busy out there
And all you wanted was somebody who caresI'm sinking slowly, so hurry hold me
Your hand is all I have to keep me hanging on
Please can you tell me, so I can finally see
Where you go when you're goneIf you want to, I can save you
I can take you away from here
So lonely inside, so busy out there
And all you wanted was somebody who caresAll you wanted was somebody who cares
If you need me, you know I'll be there
Oh, yeahIf you want to, I can save you
I can take you away from here
So lonely inside, so busy out there
And all you wanted was somebody who caresPlease can you tell me, so I can finally see
Where you go when you're gone
