

Free Fallin'

Robbie Dupree

She goes to church every Sunday morning
Perfect attendance in school to get ahead
But somehow she's just goin' through the motions
She never complains but she's full of pain 'cause no one cares

She was free

Free fallin'

She was free

Free fallin', yeah

Now she's not the type of girl
That you'd expect to be walkin' alone
Far too beautiful and intelligent
Not to have someone to call her own
By circumstance there is no choice
She does just what he says
No reward so she figures what's the use

I'm dying to get away

In the name of the Father we pray

Pray, pray, pray, pray

Please remove me from this old place

She was free

Free fallin'

She was free

Free fallin', yeah

She's livin' life on her own

Prayin' for serenity

Stay strong for the family

But she cries each time

(Each time)

She falls so hard

(So hard)

Yet holds on to little hope

(Holds on)

That soon she'll be a shinin' star

She was free

(Oh, yeah)

Free fallin'

(Free fallin')

She was free

(Oh yes, she was)

Free fallin', yeah
(Yes she was, yes she was)
She was free
(In the name of the Father I pray, pray, pray, pray)
Free fallin'
(Cause I'm longing to get away)
She was free
(She was fallin', free fallin')
Free fallin', yeah
(Whoa, yeah, yeah, yeah, yeah)
She was free
(Livin' life on her own)
Free fallin'
(But she's holdin' on, yes she holdin' on)
She was free
Free fallin', yeah
In the name of the Father I pray
(Pray)
'Cause I'm wantin' to get away
In the name of the Father we pray
Pray, pray, pray
Free fallin'
