

If It Ain't You

KeKe Wyatt

Drowning in a bottle drink it alway
anything to gide me away from the paine
and the truth of a matter is I know it was all own me
but I can't go on without you here that my word
I'll go under
tell me what is life about if you ain't in this house
I swear I rather die
if it ain't
if it ain't you
tell me who I'm gonna to wake up to
if it ain't you
baby I don't wanna wake up
if I can't be with you
be with you
if can't think, can't live, can't dream if it ain't you
if it ain't you
I don't wanna wake up
if it ain't you
I should have listened to the sound of your broken heart tell me
what you couldn't take it anymore
but in stead I neglected look where it left me stretch out on this floor
with this bottle in one hand and a picture in the other one
I guess got to suffer for what
tell me what is life about
if you ain't in this house I swear I rather die
if it ain't
if it ain't
if it ain't you
tell me who am I gonna wake up to
if it ain't you
baby I don't wanna wake up
if I can't be with you
be with you
if I can't think can't live can't dream
if it ain't you
if it ain't you
I don't wanna wake up if it ain't you
I'd give up m last dollar to turn it all around
baby boy I swear I'd die

if it ain't
if it ain't
if it ain't you
tell me who am I gonna wake up to if it ain't you
baby I don't wanna wake up
if I can't be with you
be with you
if I can't think can't live can't dream if it ain't you
you you you you
I don't wanna wake up if it ain't you
o no if it ain't you
o o if it ain't you
said I can't no
if it ain't you if it ain't you
