

Come Away With Me (iTunes Originals Version)

[Norah Jones](#)

Come away with me in the night
Come away with me
And I will write you a song
Come away with me on a bus
Come away where they can't tempt us, with their lies
And I want to walk with you
On a cloudy day
In fields where the yellow grass grows knee-high
So won't you try to come
Come away with me and we'll kiss
On a mountaintop
Come away with me
And I'll never stop loving you
