

1-900-Off-Your Square

Crucial Conflict

Special bulletin from Rall Dope Records

Have you been feelin' like a laim?

Have you been plaid by bitch?

Do niggas mass up at you when you come around?

Does your car straight bustin' out with flat tires every day? If you've been havin' these contractions

Dial 1-900-I'm-off my muthafuckin' square

And we'll come and beat your muthafuckin' ass for fallin' out

Thank you for your punkass time

Sincerely, flict nigga
