

# Fall

Sarah Simmons

Verse 1:

It's like hanging by a thread  
It's like standing too close to the edge  
It's a thousand foot drop  
Once you're falling, you never want to stop

Chorus:

I want to feel like that  
Floating high on cloud ten  
I want to be in love like that  
I just want to let go and not look back  
I want to fall like that

Verse 2:

Like a breath I can't take  
Like driving full speed with no breaks  
It's a beautiful pain  
You can feel alive running through you veins

Chorus:

I want to feel like that  
Floating high on cloud ten  
I want to be in love like that  
I just want to let go and not look back  
I want to fall like

Bridge:

It's a storm inside that's taking over me  
Nowhere to run and hide, I'm in so deep

Chorus:

I want to fall like that  
Floating high on cloud ten  
I want to be in love like that

I just want to let go and not look back  
I want to fall like that

(voice runs)
