Best Years

Circa Waves

Stand up straight, let your eyes fixate on a prize at the end of the road
It's a long way off if you've never been here before
Catch my eye if you dare to try, I've got nothing good on my mind
I'm a twenty-something trying to be sureYeah we are flying through our best years
And I'm not quite myself, please
Take me out tonight
And lie with me tonightYeah we are flying through our best years
And I'm not quite myself, please
Take me out tonight
And lie with me tonight
Oh Oh Oh...A lonely queue for the late-night fools, I got nothing to declare
Just a bunch of calls and more classics than I can bear
Catch my eye if you dare to try, I've got nothing good on my mind
I'm a twenty-something trying not to careYeah we are flying through our best years
And I'm not quite myself, please
Take me out tonight
And lie with me tonightWe're flying through our best years
And I'm not quite myself, please
Take me out tonight
And lie with me tonightYeah we are flying through our best years
And I'm not quite myself, please
Take me out tonight
And lie with me tonight
We're flying through our best years
And I'm not quite myself, please
Take me out tonight
And lie with me tonight
